Breaking Open Our lives with Discussion

*You may pause the video here and take time to discuss these questions with those around you. If you are on your own, perhaps you can call someone who's watching at the same time or spend time journaling your answers to these questions:*

Who or what have you found to be a “voice of the Shepherd,” giving you a sense of well-being and abundance in this time?

What things are “thieves,” threatening to rob you of a sense of calm and trust?

I see abundance (in/when/where) \_\_\_\_\_?
