Breaking Open Our lives with Discussion

You may pause the video here and take time to discuss these questions with those around you. If you are on your own, perhaps you can call someone who's watching at the same time or spend time journaling your answers to these questions:

Are you finding it difficult to let go of worry, to take a break?

What have you witnessed this week
that helped you feel an ongoing and steadfast love that was comforting?
Or if you can't think of something from this week, what do you have in your memory
as something or someone that offered comfort?
