

### Have Goodwill by Holding People in Our Hearts

Make a large heart out of whatever paper you have on hand. Fill the heart with names of people you keep in your heart. This is a good time to talk with your family about the people they are missing and hope to see when we are back together after we've been in quarantine. Take a photo of the heart and send it to the people you have named to remind them that you hold them in love.

### Intergenerational Engagement

Be sure to download the *Intergenerational Engagement* pages for some great activities. This week we encourage you to add to your *Dancing Ribbons* to add some fun to your Praise God dance time in worship every week. Grab whatever ribbons you might have at home or things that can be cut up and turned into ribbon. Be sure to add some red so you'll be ready for Pentecost Sunday only two weeks away. You'll find instructions on page three of the Intergenerational Engagement pages.

### Going Deeper This Week

Throughout our Easter Worship Series, the good folk of The Work of the People have given permission or us to use resources that will help us go deeper and carry our worship into the week. Find a moment for some quiet reflection as you take in this video devotion by Phileena Heurertz that helps us ponder self love and self care.. <https://www.theworkofthepeople.com/hearing-the-voice-of-love>

## Prayer for this Week

This week's daily prayer is written by Dag Hammarskjöld of Sweden in the 20<sup>th</sup> Century.

Thou who art over us,  
Thou who art one of us,  
Thou who art:

Give me a pure heart, that I may see thee;  
a humble heart, that I may heart thee;  
a heart of love, that I may serve thee;  
a heart of faith, that I may abide in thee. Amen.

If you have a song with heart and a good beat that you'd like to add to our playlist send us an email ([umccourtstreet@gmail.com](mailto:umccourtstreet@gmail.com)) with the name of the artist and the song title. You can find our Easter Season Dance Party Playlist on our YouTube channel under the playlist tab. Let's get moving and Praise God!
