## Suggestions for Music Play-List Practices

Place this card somewhere where you will see it every day and remember to insert music in some form into your day.

Some ideas are:

- make your own personal playlist on Spotify or another app
- go through your music collection and make a pile to play throughout the week
- set your radio or app to your favorite station and play at least once each day
- make your own music each day - sing or play an instrument!

**God who sang all creation into being,  
I give you thanks for the  
sweet harmonies and soul-stirring rhythms  
that lift up my spirit in the dance of life.  
Open my eyes to the light of possibilities,  
even when the day ahead holds difficulties.  
Be with me, near me, beside me.  
Amen.**
